1. Introduction

As Chairs of the next International Meeting in Pediatric Endocrinology (IMPE), we invite you to the 11th International Meeting of Pediatric Endocrinology - IMPE2023 to be held from the 4th to 7th of March 2023 in the City of Buenos Aires, Argentina. This will be the first “Joint Meeting” taking place outside the ESPE and PES regions, and SLEP is proud to be the host under the umbrella of the ICPE – International Consortium of Pediatric Endocrinology.

The mission of ICPE is to continue enhancing the exchange of state-of-the-art knowledge on Pediatric Endocrinology around the world in an environment of camaraderie and strict scientific principles. We are aware that there is still a huge disparity in the world regarding the opportunities for basic and continuous education of specialized capacities, as well as in the field of scientific and technological equipment. Therefore, the theme of our Meeting is “Equal opportunities in pediatric endocrine care around the world”, offering participation and exchange opportunities in order to contribute to the development of Pediatric Endocrinology across the globe.

This manual has been prepared to provide you with all the necessary information needed to enable you to plan your exhibition stand. Exhibitors are required to use the preferred suppliers identified in this Manual.

If you have any questions that are not addressed in this Manual or if you need additional advice or information then please contact Alex Renahan or Charlotte Cutbill, IMPE2023@bioscientifica.com. Full contact details are provided below.

2. Contact information

Please note that all orders are required to be submitted to the Congress Organiser who will pass these to the relevant suppliers. The preferred Congress suppliers will then contact you directly should you have any bespoke requests outlined in your order.

<tr>
<td>Catering</td>
<td>You may provide small catering items at your booth – see section 16.2 for details of regulations.</td>
<td>Quoted based on requirements – email <a href="mailto:IMPE2023@bioscientifica.com">IMPE2023@bioscientifica.com</a> with your requests</td>
</tr>
</tbody>
</table>
**Hostesses**

You may book hostesses to staff your stand should you wish. Please contact the supplier directly to book. Quoted based on requirements. Pallissó: ventas@pallisso.com.ar

**Additional Exhibitor passes**

Exhibitor passes provide access to the Registration Hall and Exhibition Hall **only**. A number of complimentary passes are included as part of your package — see section 19 for details. Additional passes can be purchased if required. $175 each

---

4. **Dates and Deadlines**

The dates outlined below are provided to ensure that all elements of your sponsorship can be delivered. While we will aim to deliver all items and booked services, failure to meet these deadlines may lead to delays or an inability to deliver on the item in question.

**Additional partner suppliers;**

**Printing:** Due to strict import regulations, we recommend using our preferred supplier in Argentina for all printing (bag inserts, stand collateral etc.) for the IMPE 2023 Congress.

Contact: Mac D-SIGN: macarena@gutierrezeguia.com.ar with your requests. **Deadline for printing requests is February 3rd 2023.**

**Merchandising:** Due to strict import regulations, we recommend using our preferred supplier in Argentina for all merchandising items/orders (pens, pads, bags etc.) for the IMPE 2023 Congress.

A full merchandising brochure can be viewed [HERE](#).

Contact: @md_ideascreativas: agusmendesdiz@gmail.com with your requests. **Deadline for Merchandising requests is February 3rd 2023.**

**5. Company Profiles**

Please provide your company logo and profile to IMPE2023@bioscientifica.com no later than Monday 12 December 2022. Your company logo and profile will be included on various congress materials dependent on sponsorship level/level of support. Please see below the word limits for company profiles:

- **Platinum Sponsors:** 300 words
- **Gold Sponsors:** 150 words
- **Silver Sponsors:** 100 words
- **All other companies/exhibitors:** 75 words

**6. COVID-19: Information for exhibitors**

At the time of writing, IMPE 2023 is expected to go ahead in Buenos Aires as a face-to-face Meeting and IMPE and Bioscientifica are working closely with the congress venue and suppliers, as well as local and South American committees, to remain up to date with all latest guidance.

With this in mind, please note the following advice which we would ask that you consider when designing, building and staffing your exhibition stand:

- As far as possible, please construct stands using easy to clean materials, particularly in areas where there might be high touch points, for example desks or touch screens
• Please make hand sanitiser/disinfectant wipes readily available on your exhibition booth
• Where possible, use self-service displays so that delegates can pick up/review materials themselves instead of items being passed from hand to hand or picked up and then put back
• Consider social distancing – ensure you have enough clear space on your stand to allow delegates and stand representatives to interact whilst maintaining distance (ideally minimum 1m)
• Ensure all representatives are provided with masks and that these are replaced regularly
• Brief all stand personnel to wipe down surfaces, particularly high-touch areas, regularly and particularly after use

**NOTE:** It is each exhibiting company/agency’s responsibility to ensure that all staff and contractors are aware of, and comply with, all rules and travel restrictions in relation to COVID-19, both in their country of origin and the country in which the congress will take place (Argentina), as well as any regulations imposed by the Sheraton, the congress venue. IMPE and the congress organiser will not be held responsible for any costs incurred by companies or their agencies relating to isolation or inability to access Buenos Aires/the Sheraton.

We will endeavour to provide updates relating to travel requirements and congress access whenever these become available. Current restrictions in Buenos Aires can also be found on the [Argentina Travel Advisory](https://travel.state.gov/travel/traveltips/country-summaries/argentina) website.

### 7. Delegate Bag content

Delegate bag inserts are *not* included in sponsorship packages but can be purchased as an additional item. Satellite symposium packages include one delegate bag insert.

Delegate bag inserts can be a maximum size of A4 and may be double-sided. A copy of the PDF artwork needs to be sent to BioScientifica ([IMPE2023@bioscientifica.com](mailto:IMPE2023@bioscientifica.com)) for approval by **Monday 9 January 2023**. Following approval, it is the responsibility of the sponsoring company to print and ship the bag inserts to our freight forwarding partner, Hobbit, who will be responsible for packing the items in the delegate bags. **We do however strongly recommend utilising Argentinian printing suppliers as detailed in this manual due to import regulations.** PLEASE NOTE: A nominal fee will be charged by Hobbit to the sponsoring company for the handling and packing of bag inserts. Please contact [IMPE2023@bioscientifica.com](mailto:IMPE2023@bioscientifica.com) prior to printing in order to confirm the number of copies required. Any additional bag inserts above the number of delegate bags will be shipped to the venue and available to collect from the registration desk by the sponsoring company, e.g. for use as handouts from the exhibit booth.

When sending bag inserts to Hobbit, please ensure that your packages are clearly labelled for the **IMPE 2023 Congress**, and clearly show that they are **DELEGATES BAG INSERTS**.

Delegate bags will be provided to all delegates on arrival at the Congress.

### 8. About the Venue

**IMPE 2023** will take place in Buenos Aires at the [Sheraton Hotel & Convention Center](https://www.sheratonbuenosaires.com).

#### 8.1 Venue Address

Sheraton Buenos Aires Hotel & Convention Center  
San Martin 1225/1275,  
Buenos Aires,  
Argentina, 1104

#### 8.2 How to get there

**From the Airport:**  
If you are coming to Argentina from abroad, you will probably be arriving to Ministro Pistarini International Airport EZEIZA (EZE).
Taking a taxi from Ezeiza International Airport:

- When you arrive at the Ezeiza International Airport, make sure to avoid any problems that may arise by taking a taxi outside the airport.
- Please take a car from the official transportation booths inside the airport, once you go through customs. The booth will offer a fixed rate and you can pay for the service before leaving the terminal.

Regional and domestic flights may arrive to Aeroparque Jorge Newbery (AEP). The official transportation booths inside the airport are strongly recommended.

Within the City:
You can easily arrive by train (San Martín Train, Retiro Station), metro (Line C & E, Retiro Station), bus (any bus arriving to Retiro Station which is one of the main stations in the city), taxi (recommended taxi company: Taxi Premium +54 3546 63-8153), transportation Apps like Uber and Cabify are of common use too.

Metro Map

Additional information:
Weather: The weather in March can be varied, between 18-26º.
Time Zone: Buenos Aires operates under GMT-3.
Language: The local language is Spanish.
Visa and Passport Requirements: Visa and passport requirements could vary depending on which Country you are departing from. It is advised to check the travel guidelines of your own Consulate.
Currency: The currency in Buenos Aires is pesos.
8.3 Venue layout
The IMPE 2023 Congress will encompass the entirety of the Sheraton Hotel. Delegate entry is via the main hotel entrance in to the First floor which is the location of the Registration Desks. From the First Floor, delegates can ascend the escalators to the Lower Level where the Exhibition, Catering and Posters will be situated. Alternatively, delegates can take the doors at the end of the Foyer to enter the main corridors from which all breakout rooms can be accessed. Hospitality Rooms are located on the Second Floor. Additional meeting rooms are located on the First Floor which can also be accessed by doors to the end of the First Floor Foyer.

The main auditorium is situated within the Libertador and can be accessed via the First Floor Foyer.

All levels and spaces are accessible via escalators or elevators.

Posters

10. Exhibition Location – San Isidro Lower Level
The exhibition will be located on Lower Level, along with all catering, seating and posters/ePosters.

10.1 Exhibition plans

**Lower Level**
First Floor

The most up to date floorplan with stand allocations can be found here.

10.2 Amendments to exhibition layout
While every effort is made to preserve the published layout of the exhibition, the organisers shall be entitled to vary the layout if this is in the general interest of the exhibition.
11. Loading bay, access and regulations

Access to the loading bay is on Av. Madero 1250. On arrival, all exhibitors/stand builders must follow the instructions given by the venue personnel. There is a loading bay located to the rear of the Forum Hall through which the space can be accessed directly – exhibitors will be directed to the unloading area as appropriate. Once unloaded all vehicles must be removed from the loading bay immediately.

Vehicles must not be parked in front of, or in a way which blocks, vehicle passageways, hydrants, safety exits, in the vicinity of the crossings, as well as in areas in front of the public utility services (First Aid, Fire service, etc.), at any time.

The venue team reserves the right to remove the vehicle without notice, charging the relative costs to the responsible company.

11.1 Breakdown Access

On Tuesday 7th March 2023, the Venue will not permit access to any stand contractor for at least 30 minutes after the closing time of the exhibition (which is 15:00) to allow exhibitors sufficient time to break down and pack up their stand materials.

12. Exhibition Stand Construction – Shell Scheme

Shell scheme stands are available as either 3m x 3m (9sqm) or 3m x 2m (6sqm) sizes. Any stand larger than 12sqm is sold as space only unless by prior agreement with the Congress Organiser.

Items included in the shell scheme package are as follows. At a minimum, each package will include:

- Shell scheme panels (White) - (Height: 2.4m, Width: 1m)
- Spotlights (100W each) – number 2
- Electrical socket
- One (1) bistro table and two (2) plastic chairs

Please note that the shell scheme walls are not load bearing walls and it is forbidden to affix anything to the panels using nails, screws or glue. However you can use instead: tape (if no residue is left on removal), double-sided tape (if no residue is left on removal), hook + chains. In case of damage, partitions will be charged at the expense of the exhibitor.

The maximum height for materials being displayed inside the shell scheme is 2.30mts and 93cm wide.

12.3 Electrical Connection

A minimum of one (1) socket is included in the shell scheme package. Additional power can be ordered using the form as detailed on the Dates and Deadlines page.

12.4 Fascia Panel

Each shell scheme stand includes a fascia name board. Exact dimensions, design and font TBC. Please provide your company name exactly as you wish it to appear on your fascia board no later than 3rd February 2023. Please ensure accuracy.

12.5 Graphic Infill Panels

It is possible to have the shell scheme walls printed with graphics of your choice rather than have a plain white finish. Orders for additional graphics should be submitted using the form on the Dates and Deadlines page, no later than 31st January 2023, to ventas@palliasso.com.ar

12.6 Stand fittings

Companies can order a range of additional stand fittings and furniture for their shell scheme stand (shelves, display boards, literature racks, furniture etc.) using the booking form on the Dates and Deadlines page.
13. Exhibition Stand Construction – Self Build

Exhibitors wishing to build their own stand must submit drawings for approval to IMPE2023@bioscientifica.com. These must be submitted no later than Monday 12th December 2022. Please include your stand number and stand dimensions on the plan. Electronic plans are required and please also submit the schematic plan alongside this if you have specific requirements as to the placement of ordered items. Once your plans have been approved any changes must be notified to the Congress Organisers immediately.

Exhibitors building their own stands should note that no stand services are included in the space allocated. Companies can order furniture and electrics using the forms on the Dates and Deadlines page and submitting these to the relevant supplier. Please note that all orders must be placed by the deadlines detailed.

Self-build stands should not exceed the dimensions of the area booked as detailed on the congress floorplan and reflected in the company contract. Subject to approval from the organisers, the height limit for self-build stands is 3.5mts including platform floors. Materials on display within the stand must not exceed this height.

To maintain an open exhibition area, exhibitors are requested to keep sides of stands adjacent to aisles open. Island stands should be accessible from all four sides.

Designs incorporating long runs of gangway perimeter walling should be avoided and will not be approved if deemed by the Organisers to have a detrimental effect on the exhibition or neighbouring stands. Stands should not block the view of other stands behind so half-height walls or walls with gaps are preferable to solid walls.

13.1 Adjoining walls and partitions
Exhibitors building their own stands must ensure that partition walls are provided between themselves and neighbouring stands. It is not permitted to span an aisle by either ceiling or floor covering. All space only exhibitors are required to construct freestanding partition walls between their own stand and adjoining stands. These must be to a minimum height of 2.5mts and a maximum of 3.5mts in height. Where adjoining walls are constructed over 2.5mts in height it is the responsibility of the exhibitor constructing the wall to dress the rear of the partition down to a height of 2.5mts in a neutral colour.

All work must be carried out in conformity with the requirements of the venue and the Congress Organisers. Failure to observe these regulations may result in delays, restrictions or, in extreme cases, removal of the exhibit.

To maintain an open exhibition area, exhibitors are requested to keep sides of stands adjacent to aisles open. Island stands should be accessible from all four sides.

13.2 Building Columns/Pillars
There are pillars in the exhibition hall as detailed in the Floorplans. The exhibition floorplan has been designed to avoid any stands incorporating or being impacted by these structures.

13.3 Height Restriction
For the purpose of this Exhibition the height limit for all self-build stands has been set at 3.5mts and any materials on display within the stand itself must not exceed this height. Stand plans will not be approved if they do not show clearly all dimensions of the stand.

13.4 Materials
All timber less than nominal 25mm (1”) in thickness and plywood, hardboard, blockboard and chipboard less than 18mm (3/4”) must be rendered flameproof by a recognised process to a Class 1 standard when tested in accordance with BS 476 Part 7 1971. Ply-hard and pulp boards which have been rendered flameproof in a manner approved shall be branded with a recognised mark.

The use of plastic of a grade less than Class 1, BS 476 Part 7 1971, whether in stand construction or display arrangements is prohibited. Limited amounts of plastic materials of a grade better than Class 3 can be permitted providing the details are submitted prior to construction.
Textile fabrics – unless incombustible – may not be used for partitioning stands or for forming offices or the back or sides of stands and so far as they may be used for decorative treatment of such portions, the fabric must be backed with materials similar to that required for the construction of stands. They shall be fixed taut to the backing board and secured at floor level by a skirting board not less than 75mm deep.

All painting must be carried out in water paint. Finishes having oil or cellulose base are not permitted to be applied on site.

13.5 Multi-Storey Stands
Multi-storey stands, elevated gangways and stairways are not permitted.

13.6 Paint
All painting must be carried out in water paint. Finishes having oil or cellulose base are not permitted to be applied on site.

13.7 Platforms
The general height of any stand edge/access point may not exceed 100mm (4”) and a ramp must be available for wheelchair access. The flooring must not be less than a nominal 25mm (1”) thick. Flooring must, in any case, be laid with close joints. Within the Floorplan, stands that cannot have platforms are detailed.

Platforms must be of a strength and stability sufficient to carry and distribute the weight of the stand fitting, stand personnel and visitors and exhibits having regard to the loading limits of the floors. Please note that stands should confirm to DDA legislation regarding the provision of ramps, where necessary, for wheelchair users.

It is compulsory to build an access on the platform to get access to the electrical/water duct on the floor if an electrical/water duct is on the booth space.

13.8 Rigging
Rigging is not permitted at this Congress.

13.9 Schematic Plan
Schematic plans must be provided no later than 12th December 2022 to show the location of your utilities such as furniture, power outlets and spotlights. Please do not forget to mark on this schematic plan the border of your stand as well as the orientation of your drawing (to clarify where the passage and neighbouring stands are in relation to your stand).

If the schematic plan is not returned, then the ordered items will be placed at the discretion of the venue supplier and any relocation will be at the exhibitor’s expense.

13.10 Stand ceilings
The covering of ceilings of stands is not permitted. The exhibition area cannot be viewed from above therefore internal storage spaces will not be visible to delegates.

13.11 Stand sizes/dimensions
A CAD Floor Plan is available from IMPE2023@bioscientifica.com. Please refer to this for the correct size to plan self build/space only stands on as it includes dimensions, open sides, location of pillars etc. Please study this carefully before designing your stand.

14. Exhibition Stand Construction – Health & Safety

14.1 On-site Inspection
Following the build period a check on stand construction will be carried out prior to the exhibition opening to delegates. Attention will be given to the following areas:

1. The overall height of your stand fittings (including graphics and column cladding) does not exceed 3.5mts in height from the floor. Any stand fitting measuring 3.5mts in height must be set back at least 1mt from the open perimeter of the stand.
2. On stands of two or three open sides or less (part-island), that a wall has been erected (minimum height of 2.5 metres) between any other stand and that the external face of any such wall has been left in a clean and finished state (one neutral colour with no graphics).
3. That no suspension has been made from the roof of the Hall or any other venue structure or surface, nor have any fixings been made to the structure of the building.
4. That all waste has been removed and disposed of properly.
5. That all platform corners have been well finished and are safe.
6. That approved floor fixings have been used – please contact the venue if you need advice on this. All fixings must be removed at the end of the Congress. Failure to do so will result in the exhibitor being charged for its removal by the venue.

15. Technical Information for all exhibitors

The Congress Organisers, Bioscientifica, will work closely with the Sheraton Hotel and Convention Center on all aspects of the Congress and Exhibition set-up. Any queries regarding stand construction and stand design should be directed to IMPE2023@bioscientifica.com in the first instance.

15.1 Electrical Supply
All shell scheme exhibitors will have spotlights and power sockets included in their shell scheme package.

Space only stands will not receive any power or lighting (apart from the main venue lighting) as part of the package.

If you wish to order power or an electrical connection for your stand please use the booking form on the Dates and Deadlines page and return this to the relevant suppliers by the dates outlined. All electrical work must comply with the regulations of the venue.

Please note that electricity will be supplied to the stands from floor ducts and additional cabling. All cables which cross aisles or open space will be secured and made safe for delegate flow by the venue supplier.

15.2 Floor covering
San Isidro is carpeted and additional carpet will not be laid by the Congress Organisers in aisles between stands. To request a bespoke carpet colour for your shell scheme stand please contact Pallissó on ventas@pallisso.com.ar

15.3 Freight Forwarding
The official freight forwarding agent is Hobbit Worldwide Logistics S.A. Any Company requiring freight forwarding and storage facilities should contact Hobbit directly (etombeur@hobbit.com.ar). Please see the Dates and Deadlines section for further information and tariffs.

Note: There will be a cost charged to you by Hobbit for them to unload any deliveries and take them to your stand onsite.

15.4 Hazardous Items
Specific regulations exist concerning the exhibiting of hazardous items, such as compressed gases, laser products, radioactive substances, noxious substances, flammable liquids etc. The use of such materials is prohibited without prior permission – please ensure these are all detailed on your Risk Assessment and Method Statement for consideration by the venue and IMPE team.

Any exhibit or process which generates and blows out or otherwise emits fumes, exhaust or smoke is subject to regulation and has to be approved by the venue.

Please forward written requests for the inclusion of any hazardous items onsite to IMPE2023@bioscientifica.com.

15.5 Internet connectivity/WiFi
WiFi is available free of charge throughout the Venue. However, this is unsuitable for downloading large files, running web hosted videos or sites on exhibition stands or for digital displays requiring internet access. Wired
internet can be arranged and we would recommend having this connected to your Exhibition Stand. This can be ordered using detailed available on the Dates and Deadlines page.

15.6 Noise
To ensure that disturbance to exhibitors and delegates is kept to a minimum the Congress Organisers will enforce the following sound and music regulations for the duration of the event:

- Any company wishing to play music on their stand must have the appropriate licence(s).
- The Congress Organisers reserve the right to alter/restrict sound levels on any stand at any time during the tenancy period of the event.
- Please give consideration to your neighbouring exhibitors at all times.

16. Additional services
All services, decoration, hostesses, cleaning, AV and IT must be ordered using the booking forms on the Dates and Deadlines pages. Orders will be placed directly by the sponsor/ agency with the service provider and invoiced by the service provider accordingly. Additional Catering items/ orders will be managed by the Congress Organiser and invoiced to the sponsor/ agency directly by the Hotel.

Late Orders
Orders made after the deadline dates cannot be guaranteed. Late orders received after the deadlines or during the set-up period will be fulfilled in accordance with time and capacity. Late order fees may apply.

On-Site Orders
Services ordered during the set-up period, the Congress live days or when the event is over, will be provided only according to the availability of the respective work persons and/or materials. Implementation of requirements made after the deadline and on-site orders can take longer than normal orders. We therefore strongly recommend placing all orders before the deadline.

16.1 Badge Scanners/Lead retrieval
Lead retrieval for exhibition booths will be available. In the meantime, any queries regarding lead retrieval can be emailed to constanza@conti.com.ar Lead retrieval is not included as part of any package therefore additional charges will apply.

16.2 Catering
The Congress venue catering supplier (Sheraton Hotel) is the sole purveyor of food and beverages at the venue and, as such, has the sole right to provide food and drink (alcohol or otherwise) for consumption on stands and in offices. Except by written permission of the caterers no company or individual may bring any food, drink or catering equipment into the exhibition for distribution. Exhibitors wishing to offer refreshments, snacks or alcoholic beverages on their stand will need to order these via the Congress organiser (impe2023@bioscientifica.com).

If you are planning to serve any hot items, you will be required to have a carpet with tetrapak paper/foil underneath the carpet in order to prevent any liquids/fats/oils getting into the floors of the venue.

Please note that samples should be no more than:
- Soft Drinks 100ml
- Food Items 2 Bite-size portions

Food to be served to delegates must meet the following requirements:
- all hot food must be kept above 63°C
- all cold food considered to be high risk e.g. dairy foods should be kept under refrigeration at a temperature not exceeding 5°C
- all frozen food to be stored with the freezer operating at not less than -18°C
- a probe thermometer to be provided and temperatures of food recorded regularly

Power supply is available 24 hours for refrigeration/food storage etc.
16.3 Cleaning and Waste Disposal
The exhibition floor and public areas will be cleaned daily and any waste removed. This will be done each day after the exhibition closes. If you would like to arrange additional cleaning for your stand please use the form provided on the Dates and Deadlines page.

16.4 Floral (Flowers and Plants)
Exhibitors can order floral displays from using the form on the Dates and Deadlines page.

16.5 Furniture
Basic furniture for shell schemes as well as more elaborate furniture for self-build stands can be ordered using the form on the Dates and Deadlines page. Shell scheme packages include a minimum of two (2) chairs and a table.

16.6 Fork Lift Truck Hire
Any Company requiring fork lift hire should contact Hobbit Worldwide Logistics S.A. (etombeur@hobbit.com.ar).

16.7 Graphics
Exhibitors who require printed graphic infill panels for shell scheme stands can order these using the form on the Dates and Deadlines page. Space only exhibitors may also order additional stand graphics via this form.

16.8 Hostesses
Stand bookings do not include any additional staff. Should you wish to book a hostess to staff your stand, this can be done via the form on the Dates and Deadlines page.

16.9 Storage
Please note that there are no storage facilities available in the exhibition hall or Congress venue. Please ensure that all boxes and packing materials are removed from the exhibition area once your stand set up is complete. Companies requiring offsite storage should arrange this directly with Hobbit Worldwide Logistics S.A. (etombeur@hobbit.com.ar).

16.10 Water/Waste Services
There are no water or waste facilities available in San Isidro Lower Level.

If you are likely to have large volumes of waste during build or breakdown a skip for this must be arranged in advance and supplied and removed by you. Please note that the venue will remove small waste items such as paper and plastic wrappings, however they cannot remove large waste items.

Note: Should any excess waste be left behind, the relevant removal fees will be charged to the responsible exhibiting company or contractor.

17. Deliveries and Freight Forwarding
Hobbit Worldwide Logistics S.A. has been appointed official forwarding agency for this Congress. All deliveries to the Congress must be made using this agency IN ADVANCE. Please note that the Venue will not accept any direct deliveries before or during the event. Please note due to important regulations in Argentina, it is strongly advised that any material, marketing collateral or equipment for the Congress is sourced directly from Argentinian suppliers as detailed above.

Please use the Hobbit Order Forms (see dates and deadlines) and book no later than 2 February 2023. Any queries relating to deliveries and freight forwarding should be sent to Hobbit directly (etombeur@hobbit.com.ar). Hobbit will deliver your shipment, to your stand or room, if this is booked via them.

DO NOT SEND DELIVERIES DIRECTLY TO THE VENUE. The Organisers and Venue will not accept deliveries and take no responsibility for shipments made directly to the Venue (and not via Hobbit) nor for the moving of such onto your stand or hospitality room. If you wish Hobbit to assist onsite, there will be a charge made for this by Hobbit as per the booking forms.
17.1 Trolleys & Fork Lift Hire
There are no trolleys or Fork Lifts available for use. You will need to contact Hobbit to book if you require these services or equipment (etombeur@hobbit.com.ar).

17.2 Returns
Please ensure that all returns are labelled clearly with your company name and delivery address as well as the name and contacts for the courier company. Collections should be arranged for Tuesday 7th March 2023 between 15:00 and 22:00 NOT the following day as there is no storage facility available and items will not be kept.

18. Build-up and Breakdown Information

18.1 BUILD-UP

18.1.1 Friday 3rd March 2023
Space only exhibitors and contractors 09:00 – 18:00
Shell scheme exhibitors 14:00 – 19:00
Health and Safety Inspection 17:00 – 17:30

All stands must be complete and all materials and tools removed from the exhibition hall by 19:00 on Friday 3rd March to enable a full clean of the stands and public walkways and a health and safety inspection.

18.2 OPEN/LIVE DAYS

18.2.1 Saturday 4th March 2023
Registration Opens 13:00
Scientific programme commences 15:00 – 17:30
Satellite Symposias 18:00 – 19:30

18.2.2
Congress live days

Sunday: 06:30 – 18:00 (followed by Opening Cocktail at Sheraton Hotel)
Monday: 06:15 – 18:00 (followed by Invite Only Social external venue)
Tuesday: 06:15 – 16:30 (followed by Closing Cocktail at external venue)

18.3 BREAKDOWN

18.3.1 Tuesday 7th March 2023
Exhibition closes 15:00
Removal of all stands and materials 15:00 – 20:00

No stand breakdown should commence prior to 15:00 since the exhibition hall will still be used as a thoroughfare until this time. All stand materials must be removed from the Exhibition Hall by 20:00 on Tuesday 7th March 2023. Neither the Organisers nor the Venue will take responsibility for any items left in the Exhibition Hall after this time. Any items that need to be collected by courier should be labelled up with the appropriate delivery address and left with Hobbit, the official forwarding agent. All items are left at owners’ own risk.

19. Exhibitor Registration and Entitlements (including contractors)

A number of complimentary passes for in-person attendance at IMPE 2023 are available to sponsors/exhibitors and these are allocated based on level of support. All passes must be named – it will not be possible to provide generic company passes. Complimentary passes can be ordered by completing the registration form and returning it to IMPE2023@bioscientifica.com no later than 6th February 2023. Late submission of registration forms may result in a delay in processing.
Sponsors wishing to purchase additional passes can do this via the IMPE 2023 registration system or by adding these to the booking form. All passes booked using the form will be invoiced after the congress.

The registration types are as follows:

19.1.1 Exhibition Only – intended for exhibit booth staff
This pass allows access to the Registration Hall and Exhibition Hall only. In addition, if a sponsor has booked a hospitality/meeting room the Exhibition Only pass will allow the individual holding it access to that room. No access will be given to scientific or sponsored sessions, either for in-person or On Demand viewing. Exhibition only passes include access to the poster hall and catering as these are all located within the Exhibition Hall.

19.1.2 Full registration to IMPE in Buenos Aires plus access to On-Demand content – intended for company representatives (usually medics) who wish to attend scientific sessions
This pass will allow full access to all areas of the congress, including the Exhibition Hall, scientific and sponsored sessions. In addition, access will be provided to all On Demand content for viewing of selected Congress sessions post-event.

19.2 Registration entitlements
Complimentary registrations are available based on support level as follows:

<table>
<thead>
<tr>
<th>Registration type</th>
<th>Platinum</th>
<th>Gold</th>
<th>Silver</th>
<th>Exhibitor</th>
</tr>
</thead>
<tbody>
<tr>
<td>Exhibition Only</td>
<td>30</td>
<td>10</td>
<td>5</td>
<td>2 per 9sqm</td>
</tr>
<tr>
<td>Full registration</td>
<td>5</td>
<td>3</td>
<td>1</td>
<td>0</td>
</tr>
</tbody>
</table>

19.3 Contractor Passes
Contractors will not be issued with passes for the build-up and breakdown periods, however a list of named individuals who will be onsite during these periods should be sent to IMPE2023@bioscientifica.com no later than 6 February 2023. This will be passed to the venue team to ensure that all contractors are permitted access.

Each person must carry some form of official identification, ie. passport or driving licence, at all times. Please ensure that all contractors know the name of the exhibiting company, and number of the stand they are working on, to avoid confusion.

Please note: the Exhibition is not open to the general public and no one under the age of 16 is permitted on-site at any time during the build-up, live days or breakdown.

20. Exhibition Opening Hours and staffing

The exhibition hall (San Isidro) is situated on the Lower Level. Delegates can access the space via escalators directly from the First Floor Level. The Scientific Programme for IMPE 2023 is available on the Congress website https://www.impe2023.org/programme/ and will be updated with further information as it is finalised.

20.1 Exhibition opening times
The exhibition hall will be open to delegates from 13:00 on Saturday 4th March. The first tea and coffee break will be from 17:30-18:00. Staffing of stand prior to this time is at the discretion of individual exhibitors.

IMPE requires that exhibition stands are staffed during refreshment breaks and lunchtimes at a minimum. Outside these times, staffing is at the discretion of the individual exhibitor.

20.2 Access times

20.2.1 Saturday 4th March 2023
Registration Opens 13:00 – 18:00
Scientific programme/Special Interest Groups 15:00 – 17:30
20.2.2 Sunday 5th March 2023
Registration opens/delegate access to venue 06:30
Scientific programme 08:15 – 16:15
Morning tea and coffee 09:45 – 10:15
Lunch break 11:45 – 13:45
Lunchtime satellite symposia 12:15 – 13:15
Evening satellite symposia 16:30 – 18:00
Welcome Reception (exhibition area) 18:00 – 19:45

20.2.3 Monday 6th March 2023
Registration opens/delegate access to venue 06:15
Scientific programme 07:30 – 16:30
Morning tea and coffee 09:45 – 10:15
Lunch break 11:45 – 13:45
Lunchtime satellite symposia 12:15 – 13:15
Evening satellite symposia 16:30 – 18:00

20.2.4 Tuesday 7th March 2023
Registration opens/delegate access to venue 06:15
Scientific programme 07:30 – 16:30
Morning tea and coffee 09:45 – 10:15
Lunch break 11:45 – 13:45
Lunchtime satellite symposia 12:15 – 13:15
Exhibition closes 15:00
Last scientific session finishes 16:30
Venue occupancy ends (all exhibits removed) 20:00

21. General Rules for Exhibitors

21.1 Advertising and give-aways
Written approval from the Congress Organiser and IMPE is necessary for any company wishing to advertise goods and/or services, which are not included in the exhibition programme or not relevant to the exhibiting company’s participation at the Congress.

Advertising of goods and services on behalf of companies and organisations who have not ordered any exhibition area, or have not applied as sharing companies, or their participation has been rejected, is strictly forbidden.

Exhibitors are not permitted to:
- Place posters on columns, walls, partitions or stands etc., which are inside the building or outside their rented area
- Distribute promotional materials anywhere else other than on their stand, or a designated literature table, or to distribute publications of a disturbing, political or dangerous nature (as deemed by IMPE or the Congress Organiser).
- Exhibit or use a trademark, name, etc., which is contradictory or offensive to other exhibitors or visitors

Give-aways and printed material may only be distributed in the space rented by the exhibitor in the exhibition hall, in hospitality suites, on the designated literature table or at satellite symposia. Product identification is permitted on giveaways. Contests, lotteries and raffles are subject to approval by the congress organisers.

21.2 Copyright
Please note that IMPE and Bioscientifica (as Congress Organisers) have no copyright responsibility in respect of any exhibiting company.
Exhibitors are reminded that third party copyrights should not be infringed. Proper dispensation must be obtained and any royalties due, paid prior to the use of materials.

Should any copyright dispute arise, the IMP and Bioscientifica will not be liable for any resulting loss or damages, sustained by any exhibitor or third party.

21.3 Disruption to other exhibits
The Congress organisers reserve the right to restrict exhibits which, because of noise, method of operation, materials or any other reason, become objectionable to other exhibitors or to delegates.

21.4 Distribution of Materials
The display or distribution of any material in any form from any area within the Venue, other than banner sites, designated literature table, and within the boundary of your stand, is strictly prohibited.

21.5 Employment of Labour
Exhibitors shall ensure that their Contractors and sub-Contractors conduct their industrial relations in accordance with good practice and observe codes of practice issued from time to time by the Secretary of State for Employment and the Advisory, Conciliation and Arbitration Service (ACAS) in the UK, or equivalent codes in Argentina. Any person whom in the opinion of the Organiser, is carrying out work contrary to the requirements of the Organiser and of the local or other competent authority and of the venue, will be required to stop immediately and may be directed to leave the exhibition site.

The Organisers recommend that all contractors employed by Exhibitors should be members of the Event Supplier and Services Association (ESSA) or equivalent organisation. Any queries should be referred to ESSA, 119 High Street, Berkhamsted, Hertfordshire, UK, HP4 2DJ.

21.6 Flow of delegates
Nothing may impede the free flow of delegates in the aisles. This means that nothing may be built in the aisles, nor may furniture or equipment (other than that arranged by the Congress Organiser or required by the venue) stand in the aisle space.

21.7 Insurance
The Congress Organisers, whilst taking every reasonable precaution, expressly do not accept any responsibility at all for any loss or damage which may befall the property of any Exhibitor from any cause whatsoever.

All exhibitors are required, as part of their contract, to insure their legal liability and are strongly advised to effect adequate insurance to include cover for all products and exhibits during the overall period of the Exhibition including transportation. All exhibiting companies must provide proof of Public Liability Insurance up to a value of €5,000,000 (five million euros). This must be sent to IMPE2023@bioscientifica.com no later than 9 January 2023. Failure to provide proof of adequate insurance may mean you/your contractors are not permitted access to set up/exhibit at the Congress.

21.8 Laser shows
No laser shows are permitted at this event.

21.9 Maximum stand height
The maximum height for any part of any stand will be 3.5m. Shell scheme stands are 2.40m high and no displays or banners within the stand may exceed this height.

21.10 Product disclaimer
The acceptance of a product or service for exhibition does not in any manner constitute an endorsement by the Congress Organisers or IMPE. Each exhibitor and/or sponsor is responsible for the material and information they make available at the meeting. Exhibitors and sponsors should only present material and information which has been approved by their legal departments and which is in compliance with the legislation of the host country of the congress. It is the responsibility of exhibitors and sponsors to address these issues and any conflicts arising from such matters directly among themselves as the Organisers will not arbitrate in any way in legal issues of this nature.
The International Pharmaceutical Congress Advisory Association's (IPCAA) Code of Conduct, Medical Congress Guidelines and Housing Guidelines, and the Code of Practice of the European Federation of Pharmaceutical Industries and Associations (EFPIA) should also be adopted.

21.11 Registration and accommodation
Arrangement and costs for registration and accommodation for attendance at the Congress is the responsibility of the IMPE 2023 sponsor/exhibiting company.

21.12 Sharing of stands
Exhibiting companies are not permitted to share allotted booth space with any other company without prior written consent from the organisers.

21.13 Smoking
IMPE is a no-smoking congress. If exhibitors or contractors wish to smoke they may do so outside the venue in designated smoking areas. Any contractor suspected of being under the influence of alcohol or any other substance, during build or breakdown periods, will be asked to cease working and leave the site for safety reasons.

21.14 Staffing of stands
Exhibitors will be required to ensure that their stands are staffed during the tea and coffee and lunch breaks at a minimum. Beyond these times, the staffing of stands during the congress opening hours is at the discretion of the exhibiting company. Stands must not be dismantled before the published closing time.

21.15 Stand Identification
All exhibition stands must be identified by a Stand Number or Stand Name, which is identical to that shown on the official exhibition floorplan. Companies who provide their own fascia board must ensure the company name is printed on this.

21.16 Sub-letting
Exhibitors shall not sub-let in whole or in part any part of the stand allotted to them without the written consent of the congress organisers.

22. General Event Information

22.1 Accommodation
A number of hotels of various categories are available for participants of IMPE 2023. Please contact Minos Psarakis at Bioscientifica (IMPE2023@bioscientifica.com) for more information on availability or book via the Accommodation booking links on the Meeting Website.

22.2 ATM
The nearest ATM Machine can be found onsite at The Sheraton Hotel and Congress Center.

22.3 Business Centre
There is not a dedicated business centre however simple printing can be requested at the Event Organiser’s Office.

22.4 Children/Students/Trainees
No person under the age of 16 will be permitted access to the Exhibition. This rule also applies to the children of Exhibitors and Contractors during the build-up, open and breakdown periods.

22.5 Cloakroom
The cloakroom will be located near the registration hall and clearly signposted. This can be used for coats and individual luggage however is not intended as a storage area for exhibit materials.
22.6 Disabled Persons’ Facilities
The Sheraton is a fully accessible Hotel. All venue floors have lift access and there are no steps or raised platforms within the main venue spaces. Accessible toilets are available on all levels.

22.7 First Aid
Anyone requiring first aid assistance should report to the Event Organisers’ Office which will be clearly signposted. If there is insufficient time and a member of the Congress or venue team is unavailable, please call the Emergency Services on 101.

22.8 Insurance
The Congress Organisers, whilst taking every reasonable precaution, expressly decline responsibility for any loss or damage which may befall the property of any exhibitor from any cause whatsoever.

The Congress Organiser insures the exhibition area against Force Majeure. However, these measures do not cover the risks involved with the material brought to the stand by the exhibitor. The exhibitor alone is responsible for securing this coverage. Each exhibitor is responsible for his/her own exhibit, packing and construction of the stand. The Congress Organisers refuse to accept any responsibility whatsoever for the insurance of these objects. The Congress Organisers require that the exhibitor arranges for his/her own insurance with a third party.

All Companies exhibiting at IMPE 2023 must complete, sign and return the Health and Safety Declaration Form to confirm that they have the required level of liability insurance cover in place for this event. Exhibiting companies are responsible for their own activities and those of their contractors whilst on site. Contractors who are engaged by an exhibiting company are not required to submit their policy details but the client/exhibiting company is strongly advised to ensure that a valid policy of Public Liability Insurance is in place for the duration of works.

Exhibitors or their agents must not damage or deface the exhibition facility or the booths and equipment of other exhibitors. When such damage occurs, the exhibitor is solely responsible and is liable to the owner of the property. Exhibitors must make provision for the safeguarding of their goods, materials, equipment, and displays at all times.

Should these provisions be ignored and the exhibitor fails to verify their insurance coverage or fails to produce documents stating verification, the congress organiser has the right to prevent the exhibitor from entering the exhibition area until the provisions are fulfilled.

22.9 Lost Property
If you have lost something please check at the Registration Desk or with the Hotel Security Team. Should personal effects be left on your exhibit booth, these should be given to the Registration team or a member of the venue team. Items left unattended such as bags or cases should be reported to a member of venue security.

22.10 Paging/Announcements
Please note that during the open period of the show, the public address system is for Congress Organiser’s announcements and emergency/police messages only.

22.11 Payment Conditions
All suppliers will invoice all technical services and waste disposal before the event.

22.12 Security
Although every reasonable security precaution is taken throughout the tenancy period of the Congress, the Congress Organisers cannot be held responsible for any loss, damage or accident, which may occur to any exhibitors (or their contractors), property or personnel. We strongly recommend that any valuable items e.g. handbags, mobile phones and laptop computers are kept under constant supervision, (especially during build-up and breakdown) and removed from the Exhibition Hall each evening.

Please survey your own area for any suspicious packages, bags etc. If you see anything suspicious, contact a member of the Venue, Security or Organising staff. Please ensure that you have suitable insurance cover for yourself, your staff and your property.
During the build-up and during the Congress there will be security at the main doors of the venue. Every night the venue will be closed and the venue will provide appropriate security.

### 22.13 Social Programme

The Welcome Reception will be held on Sunday 5th March 2023 in the Sheraton Hotel in the exhibition hall, San Isidro. It is not mandatory for exhibitors to staff their stands at this time.

The IMPE Closing Cocktail Evening will be held off-site on Tuesday 7th March 2023. Sponsors do not receive any complimentary passes to this event. Should sponsor or exhibitor representatives wish to attend this event, passes must be booked using the exhibitor registration form. All payment for social events must be made in advance.

### 23. Health and Safety Section

As organiser, it is our policy to manage the event safely and make the environment safe so far as is reasonably practicable. This section has been produced to provide exhibitors with clear, simple suggestions for understanding and implementing a suitable and sufficient safety management programme to comply with recommended Health and Safety Procedures. The organisers will work with the venue to assess Health and Safety Risks to all parties during the event and will impose appropriate measures in order to ensure safe build-up, open and breakdown periods. Any queries on-site should be made at the Organisers Office. Queries prior to the event should be directed to IMPE2023@bioscientifica.com. Further detailed information can be found in the Rules and Regulations for IMPE 2023.

Some of the key risk areas are outlined below but it is vital that each Exhibitor provides the below information no later than 9th January 2023:

- Completes and returns the Health & Safety Declaration Form
- Undertakes their own Risk Assessment (either completing the form provided or using their own template)
- Obtains a suitable Method Statement from their principal contractors (self-build only)
- Provides evidence of acceptable insurance cover (up to €5 million)

Each Exhibitor is obliged to follow the Congress Organiser’s instructions concerning the construction and furnishing of the stands including safety and cleaning as well as dismantling of the stands, exhibits and other items (including decorations).

Exhibitors are not allowed to fix anything, or cause any damage, to the floors, walls, ceiling or other parts of the building (i.e. by using nails, screws, glue or other means).

Exhibitors are not allowed to affix (in any way) their expositions, or any parts thereof, to parts of the exhibition hall. Offenders will be prosecuted.

It is forbidden to use the following items in the Exhibition Hall:

- Highly flammable or explosive materials, gas and other dangerous materials
- Goods offensive by their scent or in some other way
- Appliances producing unpleasant sound or light

If you are unsure of any of the above and require further clarification please contact IMPE2023@bioscientifica.com. Exhibited goods must be placed in such a way so as not to obstruct (or to obstruct as little as possible) the view of the exhibition hall or the neighbouring stands. Exhibited goods must not be covered during the opening hours of the exhibition. The Congress Organiser will have the right to remove any such covering without being held responsible for any damage this action may cause. Exhibited goods must not be removed for the stand during the exhibition unless for security reasons (e.g. overnight outside congress live hours).

It is forbidden to display exhibits or to distribute goods that could disturb other exhibitors or delegates. Distribution of goods that can (or do) cause harm to visitors or exhibitors or damage the floor of the exhibition hall, the exhibition hall itself or the venue equipment is also forbidden. Exhibits must stay within the borders of the display;
portable objects must not be taken out of the stand (for example in order to demonstrate some function of the exhibit or other). Any part or section of the exhibited goods that could potentially be dangerous (such as sharp protruding instruments) must be secured.

23.1 Appointed Contractors
The Congress Organisers have satisfied themselves that the event’s appointed and recommended contractors/suppliers are competent in the tasks required of them. The Congress Organisers have received and checked that their Risk Assessments and Method Statements are suitable and sufficient for the exhibition. Should any exhibitor wish to use the services of these appointed Contractors, then the Exhibitor at their discretion will not need to request these particular details.

23.2 Emergency Procedures
If a suspect item is discovered do not touch it but report it immediately to the Organisers Office or contact the nearest member of the venue security staff.

If partial or complete evacuation is necessary, it is strongly recommended that exhibitors’ staff leave the building for their own safety. Organisers cannot accept responsibility for damage, loss or injury, however caused.

23.3 Fire Procedures
Exits, passages, corridors, emergency exits, staircases etc. within the exhibition area must not be blocked under any circumstances.

Fire extinguishers, hydrants, water taps, etc. situated in front of, in close proximity to or behind stands must always be visible and easily accessible.

Flammable materials - including jute, crepe paper, paper board, mats, etc. must not, under any circumstances, be used in the construction of the stand, or as a part of the equipment or decoration therein. If woven materials are used to decorate the stand, they must first be impregnated with a fire-resistant substance.

Exhibitors are forbidden to store flammable materials (including packing, wrappings and containers) in or behind the stands. Neither are exhibitors allowed to set fire to flammable materials.

Without written permission of the Congress Organiser, it is strictly forbidden to demonstrate any kind of appliance that works on the principle of open fire within the exhibition area. Individual requests for permission to demonstrate such appliances is not obligatory in cases where the appliance is a part of a special set for which the Congress Organiser has already issued written permission. The Congress Organiser reserves the right to extend, or otherwise amend the conditions of the issued permission regarding this regulation.

Storage or use of containers with liquid fuel in buildings or in enclosed spaces (such as offices or caravans) is forbidden.

Each exhibitor is obliged to obey any instructions issued by the Congress Organiser, or by the fireguards in matters of the use of appliances and equipment, demonstrations, storage etc.

The exhibits and material composition of the stands must be approved by the venue and by the congress organiser. In case of any doubt, please contact the congress organiser. All stands will be inspected by representatives of both authorities.

23.4 Personal Protective Equipment (PPE)
Every employee, third party employee or autonomous worker must wear the appropriate PPE with special attention to the high-visibility vest/jacket and the safety shoes/boots (steel toe caps) during the setting and disassembling of stage, stands, etc.

23.5 Health & Safety at Work Act 1974
All Exhibitors and Contractors must be aware that they have a responsibility to ensure the Health & Safety of their employees, contractors and visitors to their stand, so far as is reasonably feasible. All Exhibitors/Contractors are
reminded of their responsibilities under the Health & Safety at Work Act 1974, especially in relation to working exhibits, product demonstrations and the preparation of exhibits and other materials whilst in the Exhibition Hall.

**All Exhibitors must complete and return the Health & Safety Declaration Form.** Exhibiting companies which have not returned this form will not be permitted to commence stand set up until this form has been completed.

Principal areas of note are.

- The understanding of Fire and Emergency Procedures of the Venue and the location of the Venue’s First Aid room
- The need to maintain emergency gangways, as specified by the congress organisers, through and to the centre of the Exhibition Hall, especially during build-up and breakdown.
- The use of hard hats when working beneath or near overhead working or, if this is impractical, restricting access in such areas.
- The need for operatives to wear suitable protective clothing relevant to their job which includes eye, hearing, foot and hand protection.
- The safe use and storage of flammable liquids and substances and segregation from waste and other risk areas.
- Ensuring that portable power equipment is used for the purpose for which it was designed and that safety guards are correctly fitted and used.
- Ensuring that portable electric tools are used with the minimum length of trailing leads and that such equipment is not left unattended with a live power supply to it.
- That stacker trucks are not used by other than fully trained personnel.
- That disused fluorescent type lighting tubes are disposed of safely.
- That chemicals and flammable liquids are, after use, removed from the Venue by the user or, in exceptional circumstances, brought to the attention of the Venue’s Cleaning Department for safe and proper disposal. Such products must not be placed in general rubbish bins or skips.
- That any work area is maintained free from general waste materials which could be a hazard to operatives.
- That proper scaffolding is used during the construction of any building within the Hall, and that the safety features of the scaffolding are provided, as per laid down standards, and that any tower scaffold in use is properly stabilised and propped.

### 24. Health and Safety Documents

#### 24.1 Health and Safety Declaration

The Management of Health and Safety at Work Regulations requires co-operation and co-ordination with all parties whilst sharing a workplace. It is a condition of entry into the exhibition that EVERY exhibitor, contractor, sub-contractor, supplier and their agents comply with the Health and Safety at Work act 1974 (HASAWA74) and all other legislation covering the venue. The exhibiting company accepts that it is their legal and moral responsibility to ensure that their own and others health and safety is not put at risk by their actions (or inactions) during the IMPE 2023 Exhibition. All Companies must complete the [Health and Safety Declaration Form](mailto:affirming your commitment to co-operation and co-ordination with the congress organisers and venue.]

#### 24.2 Insurance and Liability

Exhibiting Companies are required to hold suitable Public Liability Insurance, which is valid for the duration of the exhibition, to the value of £5M for self-build stands and £2M for shell scheme stands. Exhibiting Companies are responsible for their own activities and those of their Contractors whilst on site. Contractors who are engaged by an Exhibiting Company are not required to submit their policy details but the client/Exhibiting Company is strongly advised to ensure that a valid policy of Public Liability Insurance is in place for the duration of works.

#### 24.3 Method Statement

If you are building your own stand or other complex structure at the exhibition, you must submit a full Method Statement to the Congress Organiser at the same time as your stand plan, risk assessment and structural calculations. If you have any queries regarding this or need further information, please contact [IMPE2023@bioscientifica.com](mailto:IMPE2023@bioscientifica.com).
24.4 Risk Assessment
Each exhibitor (space only and shell scheme) must undertake a Risk Assessment prior to the Congress, identifying the hazards present on site and ways in which you will then minimise and control these hazards.

All exhibitors must complete and return a completed Risk Assessment form. A risk assessment template and guidelines for completing this are included however exhibitors can produce their own if preferred.

THE HEALTH AND SAFETY DECLARATION, RISK ASSESSMENT AND PROOF OF INSURANCE MUST BE SUBMITTED BY 9th JANUARY 2023 – ACCESS TO BUILD THE STAND WILL NOT BE GRANTED IF THESE ARE NOT COMPLETED AND RETURNED.

25. Health and Safety – Exhibitor Checklist

<table>
<thead>
<tr>
<th>Task</th>
<th>Complete?</th>
</tr>
</thead>
<tbody>
<tr>
<td>Appoint a responsible person for the build-up, open and breakdown periods.</td>
<td></td>
</tr>
<tr>
<td>Photocopy/print the Emergency Regulations contained within this manual and ensure that they are distributed to all your staff and contractors.</td>
<td></td>
</tr>
<tr>
<td>Sign and return a copy of the Health &amp; Safety Declaration enclosed with this manual. Please note we will not be able to issue your badges and passes prior to the receipt of your Health and Safety Declaration.</td>
<td></td>
</tr>
<tr>
<td>At the tender stage ask to see your principal contractors’ Risk Assessment specifically designed for the unique exhibition environment. Ask for the staff training record, accident statistics, take up references and ask to see proof of previous work standards – in short satisfy yourself that your Contractors are reliable and competent.</td>
<td></td>
</tr>
<tr>
<td>Produce a Risk Assessment for your activities on-site and a suitable Method Statement and submit these to the Exhibition Contractor along with your stand design.</td>
<td></td>
</tr>
<tr>
<td>Provide suitable training and information to your staff and Contractors regarding the on-site risks in order for them to understand and fulfil their responsibilities.</td>
<td></td>
</tr>
<tr>
<td>Plan your time during build-up and breakdown. If necessary schedule a late working rota.</td>
<td></td>
</tr>
<tr>
<td>Review your findings after the event to discover areas that need attention, where accidents occurred and take appropriate action for the future.</td>
<td></td>
</tr>

26. Terms and Conditions of Exhibiting

26.1 Cancellation of Exhibition
In the event of the Exhibition having to be cancelled, curtailed, postponed or abandoned due to circumstances outside the control of the Congress Organisers, the exhibiting company, agents or contractors shall have no claim against the Congress Organisers for loss of incurred costs or expenses. It is recommended that the exhibiting company arrange appropriate insurance to cover their loss of all potential costs, expenses and deposits arising out of the cancellation, curtailment, postponement or abandonment of the Exhibition, including such costs which may arise as a result of the exhibiting company failing to vacate the venue by the end of the tenancy period.
26.2 Exhibition Floor Plan Amendments
The Congress Organiser reserves the right to alter the layout of the exhibition floor plan if such action is deemed necessary. Where this results in an amendment to the exact site of the location of individual stands the exhibiting company undertakes to agree to any such amendment to the location or the space re-allocated by the Congress Organiser.

27. Cancellation of Contracts and Agreements
Refer to IMPE 2023 Supporter Contract.
